Subject: File Closure, Dave Kimmerle, Cottonwood #4 Mine, S/037/111, San Juan County, Utah

Dear Mr. Kimmerle:

On October 14, 2004, I wrote and informed you that if the Division had not received your permit fee by November 1, 2004, we would close your Notice of Intention to Commence Small Mining Operations (NOI) for the Cottonwood #4 Mine. We have not received the fee, so the Division hereby closes your NOI. You no longer have the Division's approval to conduct any mining operations at this location.

If in the future you decide to conduct mining operations at this site, you will need to submit a new NOI together with the permit fee and a reclamation bond prior to creating any disturbance. You will also need to gain approval from the Bureau of Land Management.

Please call me at 801-538-5261 if you have any questions or concerns about this action.

Sincerely,

Paul B. Baker  
Reclamation Biologist
